Mary Ann Dickenson, Executive Director  
California Urban Water Conservation Council  
455 Capitol Mall, Suite 703  
Sacramento, CA 95814

Dear Ms. Dickenson:

On behalf of the Bay-Delta Advisory Council and CALFED Bay-Delta Program I wish to thank you for your informative and well planned presentation at the February 17 BDAC meeting in Sacramento. I especially want to thank you and Dave Mitchell for being so responsive to BDAC's earlier request in October 1999.

Your thoughtful comments helped us achieve one of the goals of the meeting, which was to obtain a better understanding of urban water use efficiency issues, as they pertain to the CALFED Bay-Delta Program. Hearing from you was very important to ensure we have a clear understanding of issues which need to be addressed as we refine the CALFED Program and begin implementation.

We all appreciate your hard work on developing the urban EWMP certification process and helping to ensure the CALFED water use efficiency objectives are met.

Sincerely,

Mike Madigan, Chair  
Bay-Delta Advisory Council
